

PRESERVE YOUR PRECIOUS MEMORIES ON DVD

Do you have cherished memories lying around on video or Mini DV tape?

Have you noticed that the quality of the sound and the video decreases as the video ages?

By transferring all your home movies to DVD we can help you preserve your treasured Family Moments. Duplicate copies of recorded DVDs are available also.

\$25 per tape

All you need to complete the form and fax it back. We will then call you to arrange collection.
